20 July 2016

Blairgowrie Community Association
Attention: Linus Muller

Dear Linus

THANK YOU

On behalf of Barkston Place, please would you express my deep gratitude and overwhelming appreciation to the members of our Community and the Blairgowrie Spar for what they have accomplished for Nelson Mandela Day 2016! I was truly humbled by the amount of items that were donated in the trolleys and boxes at Blairgowrie Spar. There were people who arrived at my office to give and make a difference! As we loaded the boxes and boxes and boxes of food items into our vehicle today, I became quite emotional as I observed the generosity of our Community and how selflessly they gave to make a difference.

We were delighted to have been selected as the beneficiary of the BCA/Nelson Mandela Day initiative. Barkston Place has the privilege of taking care of 6 students in residence providing them with a family home to live in, a good education as well as loving and nurturing them in a very practical way. We also sponsor the education of an additional 8 students. These donations enable us to continue caring for our children in a very practical way enabling them to one day pursue their dreams and ambitions perhaps even to become a president like Nelson Mandela!

Thank you again I am so moved!

Yours sincerely,

MARK KNOCKER
CHAIRMAN
